RE: KEBR(FM), Sacramento, California

Dear Mr. Camping:

I am writing this on the eve of my departure for a two week vacation. As we will not be able to talk by phone, I wanted to write and advise you that I have a qualified client willing to pay \$7.5 million cash for KEBR(FM). Please give this some thought and I will follow up with you upon my return March 18.

Cordially,

Elliot B. Evers
Associate
